## Fall Class Schedule

It has just been a long hot summer, but fall is just around the corner, which means it is time to start quilting. It has been sometime since I have been able to teach classes at the store, so I am looking forward to sharing my knowledge and experience with the beginner, intermediate and experienced quilter, as well as learning something new from those that are in class.....it is always exciting to learn a new technique or shortcut.....

Kim Welch has jumped on board teaching at the shop. She is really enthused with the idea of showing everyone how easy it is to Paper Piece!!!!!!

### Class Schedule

#### Remember

Class fees have to be paid in advance. Space will not be reserved until fee is paid.

I request that fabrics and supplies for the classes be purchased from the store.
